It's a Man Lie to You.

And say some other salve, ointment, lotion, oil or alleged healer is as good as Backlen's Arnica Salve, tell him thirty years of marvelous cures of Piles, Burns, Boils, Corns, Felon, Ulcers, Cuts, Scalds, Bruises and Skin Eruptions prove it's the best and cheapest 25c. at all druggists.

Hon. J. B. O'Neill Holloway was in the city yesterday. He is a graduate of Newberry College, and has for a good many years been a most successful teacher, and is recognized throughout the State as a prominent educator.

We are always glad to see him in town.

Pythian Paragraphs.

Dispensation having been granted by Grand Chancellor, there will be a regular meeting of Newberry Lodge No. 75 tonight instead of second Tuesday night. All members should be present.

The committee appointed to report some program of entertainment for the members, their wives and sweethearts, will report tonight.

Knight Pelham and Cavanaugh have gone to Denver, Col., and from all reports are having an exceedingly pleasant trip.

Grand Chancellor Mower spent last night in Columbia, making some official visits. He is doing much for Pythianism in this domain, and our members are not slow to take up the interest and encourage him by making Newberry Lodge No. 75 what it ought to be in spirit and in work.

Get your neighbor to come with you tonight, provided he is a Knight, and witness work in the second rank. He will enjoy it and you too. Pythias.

\$25,000 IN DIVIDENDS

Will Be Declared Today By the Cotton Mill and the Three Banks

Semi-annual dividends to the amount of \$25,000 will be declared by the Newberry Cotton Mills and the National, Commercial and Savings Banks today as follows:

Newberry Cotton Mills, 4 per cent. on a capital of \$400,000—\$16,000.

National Bank, 4 per cent. on a capital of \$150,000—\$6,000.

Savings Bank, 3 per cent. on a capital of \$50,000—\$1,500.

Commercial Bank, 3 per cent. on a capital of \$50,000—\$1,500.

Making a total of \$25,000.

This is good as far as it goes, but it does not go far enough. Newberry is large enough to have twice as many concerns declaring as big dividends, and should have them.

THE SUMMER SCHOOL

Has Now Entered Upon Its Second Week—Work Progressing Smoothly.

The county summer school entered upon its second week yesterday, and I am glad to note that the enrollment has now reached thirty-five. Under the excellent supervision of Professors Wallace and Derrick the school is progressing finely, and the teachers are being greatly benefited.

I wish it could have been convenient for every teacher in the county to attend the school here this year, for I am sure they could not have spent a month more pleasantly and profitably.

As I have already said, the instructors are doing excellent work, and if there are any other teachers who expect to attend and get the benefit of a good summer school course, we should be pleased to enroll them right away, as after this week the school will be half over.

I shall say for the benefit of some of the teachers that at the close of the summer school work the teacher-pupils will be given an opportunity to stand an examination for certificates from questions prepared by the summer school instructors.

Respectfully,

Eug. S. Werts.

BASEBALL.

Newberry Plays in Columbia This Week and Columbia Plays Here Next Week.

The Newberry base ball team will leave on Thursday for Columbia, where they will play four games with the Columbia team, returning home Saturday night. The Columbia team will return the dates here on Monday, Tuesday and Wednesday, July 7th, 8th and 9th.

The Newberry team has been strengthened greatly by the addition of Wiles, Holland, Fishburne and Mellwinen, all fast players. Besides the thirteen games that have already been scheduled, there will be numerous others to follow.

The following compose the team: Cabaniss, Simpson, Wiles, Holland, Fishburne, Mellwinen, Senn, Saylor, Boozer. Substitutes: Daniels, Fair, Mayes.

If our people will give the boys their support there is little doubt that we will have some good ball during the summer.

Cotton Mill to Close on Friday.

The Newberry Cotton Mills will close down on Friday, the 4th, and work will be suspended until Monday morning.

This vacation was given on the 5th instead of the 4th in order to give the operatives an opportunity to take advantage of the cheap rates to Columbia, on Saturday. The three Sunday Schools of West End will go down in a body, spending the day in Columbia, and returning Saturday night. It is likely that many others from West End will take advantage of this excursion.

The Southern has made preparations for the crowd and will be able to handle as many as may want to go.

Heavy Wind and Rain.

A heavy wind and rain storm swept over this county Thursday night, striking Newberry about 8.45. It had been a little windy all day, but such a rapid increase in its velocity was sudden and unexpected.

The tin roof over the building in which is Mr. O. M. Jamieson's store was completely lifted off, being rolled up and carried back to Mr. R. J. Miller's restaurant. This store and the office of Dr. J. K. Gilder above were flooded with water and some damage was done.

At Little Mountain the barn belonging to Mr. A. N. Boland was blown over and a fine Jersey bull and several sheep killed.

Slight damage by falling trees was done in other portions of the county.

The Raleigh Tournament.

It is likely that the Excelsiors will enter the firemen's tournament to be held in Raleigh the latter part of the present month. There is some talk among the members of the company of entering two teams. A meeting was held last night, at which time the matter was freely discussed.

The Old Fellows.

At a meeting of the Newberry Lodge I. O. O. F. held on Friday night the following officers were elected to serve for the ensuing six months:

Cole L. Blease—Noble Grand.

J. M. Guinn—Vice Grand.

W. A. Thomas—Past Grand.

F. H. Kempson—Financial Secretary.

Stuart Hudson—Recording Secretary.

Theodore Danielson—Treasurer.

Installation will take place at the regular meeting next Friday night.

THE SEWERAGE SITUATION.

Commissioners Hold Meeting, but Nothing Definite Done—Mr. Beddoes to Report Thursday.

The commissioners of public works held a meeting Friday afternoon to discuss the sewerage situation and to look into the matter of the advisability of asking council for an additional appropriation large enough to sewer the whole city. The present system as contemplated will include only five miles of pipe, and it is estimated that an additional four miles will be necessary.

Mr. R. H. Welch is one of those who the present system will not reach and he was present Friday and made an argument for its extension.

Mr. Beddoes, the city engineer, was called upon for a report as to the exact cost of the present system, to be presented at a meeting called for Thursday. When this report has been received the commissioners will be able to take some definite action.

NO VERDICT YET.

The Case of J. Butler Kinard Still a Mystery to the Coroner—Waiting on Evidence.

The coroner has not yet reached a verdict in the case of J. Butler Kinard, who was burned to death in his house on Mr. H. H. Evans' place, in this county, on the 21st of June. The coroner held an inquest over the body on that day, but owing to the meagre character of the testimony, and the grave suspicions which were entertained that Kinard had been robbed and murdered, adjourned to meet a week later. On Saturday at Mr. J. W. Derrick's place the inquest was continued. A good many negroes living around the scene of the fire were examined, and some conflicting tales were told. But the coroner for the second time did not reach a verdict, believing that by investigation the truth could be brought to light. The third inquest will be held in the office of Magistrate J. H. Chappell on Saturday, July 12th. Magistrate Chappell has been requested by the coroner to conduct the investigation, and will do so.

Thrown from a Train.

Caldwell Ruff, a young man from the lower part of the county, and who now has a position with the Carolina Manufacturing Company, was thrown from the C. N. and L. train as it was pulling out from the depot on Sunday, being knocked unconscious and pretty severely bruised. He had boarded the train as it stopped, intending to get off before it started, but was a little late in doing so. In stepping off he stepped straight in front of him, and of course, was violently thrown to the ground, his face striking the rocks. He was carried into the ticket office and soon regained consciousness. The accident did not prove to be serious, as it might have been.

Need More Help.

Often the over-taxed organs of digestion cry out for help by Dyspepsia's pangs, Nausea, Dizziness, Headaches, liver complaints, bowels disorders. Such troubles call for prompt use of Dr. King's New Life Pills. They are gentle, thorough and guaranteed to cure. 25c. at all druggists.

The Excelsiors.

Although Newberry's fire fighters did not bring back any of the prizes from the Sumter tournament, they made many friends while in the Game Cook City. The following is from the Sumter Herald.

Newberry has a team of which she is justly proud. The men are gentlemen throughout and comported themselves as such during the entire time they were here. They made many friends, and their "hard luck" was deplored by many of the fair sex who could not see "how it happened" in 24 seconds.
